Remarks: Vince: <p>While I was at Commo yesterday talking with [REDACTED] and Virginia they mentioned the U.S. Gov't Correspondence Manual (Stock No. 7610-889-3558) which [REDACTED] had brought to their attention. It seems that they are interested in procuring one! The thought occurs to me that maybe we would want to procure several copies through a requisition.</p> <p>I understand that we have a couple in the office.</p> <p>4-1 Got two copies from Archives NARS expects us to procure our supply thru Fed Supply channels. [REDACTED] has a supply in the [REDACTED] Supply Room</p>
